NOTES FOR APPLICANT AND CONDITIONS OF APPLICANT

Check list for attachments

ADP Application form must be submitted with the following documents:

- Driving license copy
- Security pass copy
- ADP Copy (for renewal purpose only)
- Medical Certificate* (for new applicants)
- An official Document showing that vehicle training has been given (for specialized vehicle/equipment)

The following are required in the medical certificate:

- Eye Sight:** Drivers must have visual acuity, using corrective lenses if necessary.
- Color Perception:** Drivers operating airside must have the ability to distinguish the signal colors, Red, Green, and White. Depending on the results of any color vision deficiency drivers may be precluded from driving on areas of the Airside. All Maneuvering Area drivers must have full color vision capability.
- Hearing:** It is essential that drivers have the ability to hear sufficiently under adverse conditions (The ability to hear a forced whisper in each ear is recommended.)
